### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Alan Cassel (Registration No. 35,842) on 11 April 2005.

In order to comply with the maximum word length of 150 words, the examiner's amendment to the abstract is as follows:

Replace "The first objective of the present invention is to provide a thin, lightweight and compact information recording/processing device with a user verification function. The second objective is to provide a machine/system control device" with "A thin, lightweight and compact information recording/processing device with a user verification function, and/or a machine/system control device".
